IDENTIFICATION OF DOCUMENT (author, form, addressee, title & length) Memorandum from Sherman Kent, AD/ORE to the DCI Subject: Shall National Estimates (NIE's, SE's, and SIE's) continue to be issued with tabs annexed; 3 pp.				LOCATION: HS/HC-112 Item 7

ABSTRACT

This memo discusses tabs and their use on ONE estimates. The AD/ORE recommends to the DCI that he support the use of tabs as necessary to consumers who need factual information in spite of the protests of the four service intelligence organizations (JIG included). Quotes from other consumer agencies and the specific example of NIE-69 are used to support this view.
